

MCPO EX. 1.29 - PUBLIC

CEII Confidential MCPO Exhibit 2.0 is designated as Critical Energy Infrastructure Information ("CEII") by the Federal Energy Regulatory Commission ("FERC"), and its disclosure is subject to certain FERC rules and other requirements of federal law, and the Protective Order in this docket. CEII information shall be disclosed only to a requesting party's outside counsel of record in these proceedings, its in-house attorneys, and other persons who are entitled to have access to CEII in accordance with the regulations and procedures of the FERC at 18 C.F.R. §388.113. CEII shall not be disclosed to any other employee, consultant, or agent, or any officer or director of such party absent (i) a finding by the Administrative Law Judge(s) that such information is not properly designated as CEII, or (ii) that such information can be disclosed to specific additional persons subject to, at a minimum, those conditions applicable to information designated as Confidential under the Protective Order approved in this docket and any such conditions and restrictions as the ALJ shall impose. CEII will only be provided those parties who need access to such information. See Paragraph 7 of the Protective Order. Parties are also reminded of the compliance requirements set forth in Paragraph 13 of the Protective Order concerning the destruction of the subject information.
